4

Let's spice up our num - ber with some sal - sa

9
Swing those hips and fake some sen - sual pose Lookdeep in-to the eyes

14
of one a - no - ther and don't for-get to add the vi - tal

19
 $\text{♩} = \text{♩}$
rose... ladies... E - motions should be ab-stract with this style... Ex

23
a - gge-ra-ted move-ments are the key Some float-y scarves will help to be-

26
guile... and to de - pict the plight of re - fu - gees.

29
This one's for the modern show More a-bout strength, less a-bout

32
pose. Got-ta put on your best face. Bring your

35
at-ti - tude and set the pace... Let's head East as one big team A

39
mult - i - cul - tural dan-cing dream Let's show our co- lours, V.S.

42

in and out This is what dancing's all about

45

All about But every dance has its charm

51

When you're dancing arm in arm with some-one you barely know

56

and who's brains you might like to blow Just wait for the break to come

61

Like a bullet from a gun We've somehow all become one

66

be cause You're a dancer now, babes You're a dancer now

72

You're a dancer now babes You're a dancer

'Oh fuck I forgot tap!
